

FOR IMMEDIATE RELEASE

## **ABM TECHNICAL SOLUTIONS WINS M&E CONTRACT WITH ICONIC LONDON NEIGHBOURHOOD**

**July 2019** – ABM Technical Solutions is delighted to announce its appointment as M&E service partner at Broadgate, a 32-acre mixed-use neighbourhood in central London.

Jointly owned by British Land and GIC, Broadgate is the largest pedestrianised neighbourhood in central London and plays host to over 100 cultural events annually. A £1.5billion investment into the neighbourhood will deliver 4.9million square feet of new and refurbished workplaces, retail space and restaurants.

As M&E service partner, ABM Technical Solutions will ensure that Broadgate remains compliant, as well as a comfortable environment for tenants and visitors alike. With a taskforce of 75 individuals, the technical services provider will offer full on-site management and contract support teams.

**Nick Tanti, Technical Solutions Interim Managing Director at ABM, said:** *“We are looking forward to a successful partnership with British Land at this iconic city neighbourhood. Their investment in both new and refurbished buildings makes a great environment for not only modern workspaces, but areas that can be used by the general public.”*

*“We recognise that Broadgate’s world-class service delivery to their tenants is the standard to achieve and we are proud to be one of their chosen service partners.”*

A facilities management specialist in cleaning, security, mechanical & electrical maintenance, critical and guest services, ABM’s clients include: the London Transport Museum; the Museum of London; The O2; British Land; Hammerson; Savills; and London's Heathrow Airport.

#### **ABOUT ABM UK**

ABM UK employs around 6000 people with offices in London, Leeds, Glasgow, Dublin, Belfast and Bolsover, and current customers include major international banks and law firms, iconic retail and leisure venues, concert halls, public buildings, transportation centres and airports.

ABM UK’s comprehensive capabilities include cleaning, security, electrical & lighting, energy solutions, facilities engineering, HVAC & mechanical, data centre cleaning, landscape & turf, and parking, provided through stand-alone or integrated solutions. ABM UK provides custom facility solutions in urban, suburban and rural areas to properties of all sizes — from shopping centres to commercial buildings, data centres, manufacturing plants and airports.

ABM UK will continue to grow the business organically, focusing on showing clients the benefits of integrated facility solutions, its self-delivery model and its investment in people, of which ABM UK’s state-of-the-art training centre in Greenford, Middlesex is the most permanent statement of intent. ABM UK has a comprehensive apprenticeship programme, as well as a scholarship scheme that allows people who made a false start in life to learn a trade.

ABM UK is a subsidiary of ABM, a leading provider of facility solutions with revenues of approximately \$6 billion and over 100,000 employees in 300+ offices throughout the United States and various international locations. ABM Industries Incorporated, which operates through its subsidiaries, was founded in 1909.
