

Aircraft appearance Team Gatwick receiving their QHSE Audit Certificate 'Gold Audit'

We are pleased to celebrate the Aircraft Appearance Team Gatwick receiving their QHSE Audit Certificate 'Gold Audit' for achieving high standards of compliance and safety.

Andrew Lewinton, Head of Health, Safety and Environment at ABM echoes Martin Patch QHSE Manager's words who carried out the audit: "It goes without saying that the result for this new operation at Gatwick is absolutely fantastic and the dedication, focus and hard work that has gone into this from the start-up and ongoing development has been very positive and this audit result reflects just that".

Making a difference, every person, every day!
A huge congratulations to the team!
